MEMORANDUM FOR: C/MS

25 June 1952

SUBJECT: Recommendation of the Personnel Policy Board -
Revised

REFERENCE: Memo, Same Subject, dated 6 June 1952

The following additions or corrections to the reference memo are submitted as the definite PPB recommendations.

It is recommended that:

1. C/PCD continue the development of the career training program.

2. C/MS attempt to establish new field grades as recommended by DC/MS. Promotions in the field will be subject to the stipulation that the individuals being promoted will not be guaranteed an equivalent grade on return to Headquarters. Assignments between [REDACTED] will be based upon the individual's qualifications and available openings as determined by the PPB.

3. [REDACTED] slots will be considered headquarters slots for purposes of rotation.

25X1A

4. All male employees, excluding physicians and dentists at Headquarters, be frozen at their present grades until proposed increases in field grades are established. Headquarters promotions can then be made to an equivalent level, not to exceed existing number and level of field positions.

5. Promotions above a GS-9 will require overseas duty as a prerequisite.

6. In cases of original appointment to a position above a GS-9, preference will be given to employees who have had previous service with the Agency.

7. In specific cases where grievances or special recommendations exist, the individual may appear before the PPB for disposition.
